and NATIONAL *Camps for Blind* CHILDREN

*Empower people who are blind to
engage their communities and
embrace the Blessed Hope*

Offering Call 2020

How do people who are blind learn about the Blessed Hope? They don't unless someone tells them about it.

How does someone who is blind read the Bible? They don't unless they can find a large print, audio, or Braille Bible.

How easy was it for you to learn about salvation and procure your own Bible? How easy was it for you to go to a summer camp, or send your kids to a summer camp?

A portion of today's offering will help Christian Record Services deliver Christian library books, Bibles, Bible study guides, the Sabbath School lesson, and more to children and adults who are blind.

In the video you are about to see, we will learn firsthand the impact Christian Record Services has for people who are blind. We will see how vital it is to support this crucial ministry.

If you would like to help people who are blind today, please mark your tithe envelope for Christian Record Services.
