SERVICES FOR THE BLIND

and NATIONAL *Camps for Blind* CHILDREN

President's Letter

Dear valued Church Leader,

We are so pleased to provide your church with easy-to-use resources for the offering on Sabbath, August 14. You can also find these materials at www.CRSBday.org.

You are an important catalyst in reaching individuals who are blind in your community and around the world. Since 1899, the Seventh-day Adventist Church has cared for people who are blind through the ministry of Christian Record Services, providing access to resources and programs in accessible formats, including audio, large print, and braille.

Thank you for partnering with us to empower people who are blind to engage their communities and embrace the Blessed Hope!
