

## President's Letter

Dear valued church leader,

**We are so pleased to provide your church with easy-to-use resources for the offering on Sabbath, August 10, 2024.**

**You can also find these materials at [www.CRSBday.org](http://www.CRSBday.org).**

You and your local church are so important in reaching people who are blind in your community and around the world. Since 1899, the Seventh-day Adventist Church has cared for people who are blind through the ministry of Christian Record Services, providing access to programs and resources in accessible formats, including audio, large print, and braille.

Thank you for partnering with us to “*empower* people who are blind to *engage* their communities and *embrace* the Blessed Hope!”
